

Dear Applicant,

We're thrilled by your interest to reach unreached people groups with us!

Over the last two decades, Within Reach Global has addressed Gospel poverty through faith-sharing, disciple-making, and church planting among unreached people groups.

Recognizing that millions still live without access to the good news of Jesus Christ, the ministry is now broadening its reach with plans for a new base of operations in Chiang Mai, Thailand. This campus will create a massive spike in the number of short-term teams, interns, staff, and indigenous missionaries who will reinforce the largest advancement of Bible and Gospel access in Thailand's history, extending into the 10/40 Window.

In this season of rapid expansion, we have a number of roles that must be filled by like-minded Christian individuals. We believe God wants to use you to bring long-lasting change in the world. He's gifted you in unique ways, and we want to help you thrive in your passions, purpose, and skillsets.

Thank you for prayerfully considering a position at Within Reach Global. You want your life to count for eternity. We do too. So let's start the process!

Sincerely,

The Within Reach Global team
