DISCIPLE'S JOURNEY INTERNSHIP

MissionImmersion

Romans 12:1-2 (NIV)

Therefore, I urge you, brothers and sisters, in view of God's mercy, to offer your bodies as a living sacrifice, holy and pleasing to God—this is your true and proper worship. Do not conform to the pattern of this world, but be transformed by the renewing of your mind. Then you will be able to test and approve what God's will is—his good, pleasing and perfect will.

The journey of discipleship involves transformation and renewal as we follow Christ and seek His will. For the Disciple's Journey Internship, here are three potential phases that reflect the journey of discipleship:

Phase 1: Listen & Learn

Focus: Spiritual growth, learning the foundations of faith, and hearing God's call.

"So faith comes from hearing, and hearing through the word of Christ."

—Romans 10:17 (ESV)

This verse emphasizes the importance of listening to God's word as the foundation for faith and spiritual growth.

Phase 2: Walk & Serve

Focus: Practical ministry experience, serving in communities, and deepening your walk with Christ.

"For even the Son of Man came not to be served but to serve, and to give his life as a ransom for many."

—Mark 10:45 (ESV)

This verse reflects the heart of Christ's mission—to serve others—and encourages interns to follow His example in their walk.

Phase 3: Lead & Multiply

Focus: Leadership development, disciple-making, and multiplying the impact of your ministry.

"And what you have heard from me in the presence of many witnesses entrust to faithful men who will be able to teach others also."

—2 Timothy 2:2 (ESV)

This verse highlights the importance of leadership in discipleship, passing on what has been learned to others to multiply the ministry's impact.

Each phase represents a key stage in the intern's journey of answering the call to discipleship.

LETTER FROM THE FOUNDER

Thank you for considering joining the Disciples Journey Internship program. This is truly an experience like no other!

For over 20 years, Within Reach Global has been providing gospel access to unreached people groups in Asia. The life-changing impact of this work continues to bear fruit. Today, through our indigenous missionaries, the gospel is expanding into some of the most remote areas of the 10/40 Window. Their faithful obedience to Jesus' Great Commission could be your story as well. Will you join us in bringing the message of Jesus Christ to those who have never heard?

You can play a crucial role in expanding God's kingdom across the earth, and that's why we invite you to join us in Chiang Mai, Thailand.

The Disciples Journey Internship is key to fostering a movement of new believers in Thailand. Each day will offer new opportunities—from sharing the good news with Buddhist monks at the historic 700-year-old Chedi Luang Temple to launching church planting programs in local Thai villages. But that's just the beginning. You'll engage in campus outreach, meet college students, disciple them over coffee, and share the love of Christ with both Thai and Chinese youth. You'll also participate in ministry efforts at the Fusion Center, strategically located near major universities. There may even be opportunities to visit nearby countries like Cambodia, Myanmar, or Laos, further expanding your missions experience.

Missions isn't just an activity—it's a condition of the heart. Through this internship, you will spend time seeking God's heart, discovering your unique gifts and calling, and immersing yourself in the adventure, culture, prayer, and redemptive mission of God.

David Joannes is the Founder and CEO of Within Reach Global, the host of the "Missions Pulse" video podcast, and the author of *The Space Between Memories*, *The Mind of a Missionary*, *Gospel Privilege*, and *See the City*. David lives in Chiang Mai, Thailand, where he, his wife Lorna, and their two daughters extend the gospel to unreached communities.

CHIANG MAI, THAILAND – DISCIPLES JOURNEY INTERNSHIP

During the Disciples Journey Internship, you will be based in Chiang Mai, the largest city in Northern Thailand, renowned for its rich cultural heritage and global significance in the missions community. Known as the “elephant capital of the world”, Chiang Mai is a vibrant city surrounded by lush mountains, ancient temples, and a fusion of both traditional Thai culture and modern conveniences.

Chiang Mai is home to nearly 3,000 missionaries from all over the world, making it a key hub for missionary training, strategy development, and outreach efforts aimed at the unreached people groups within the 10/40 Window. This region, spanning across Asia and North Africa, is home to billions of people who have never heard the gospel. From Chiang Mai, you can reach 50% of the world’s population within a three-hour flight, making it a strategic launching pad for cross-cultural missions throughout Southeast Asia and beyond.

Although Thailand enjoys constitutionally protected religious freedom—the only country within the 10/40 Window with such protections—nearly 90% of its people have never heard the gospel message. Despite its openness to religion, Thailand remains the most unreached nation in Southeast Asia. This presents a unique and urgent opportunity for gospel outreach, and the Disciples Journey Internship places you right in the heart of this mission field.

As part of the Disciples Journey Internship, you will be working in one of the world’s most dynamic mission fields. You’ll have the chance to partner with local ministries, engage with the Fusion Center located near major universities, and participate in outreach to both Thai and Chinese students. Whether it’s sharing the gospel with Buddhist monks at the 700-year-old Chedi Luang Temple, building relationships with locals in surrounding villages, or even traveling to nearby countries like Cambodia, Myanmar, or Laos, your internship will be filled with life-changing opportunities to reach the unreached.

Beyond ministry work, Chiang Mai is also a global destination, attracting visitors and tourists from across the world. This international influx provides a unique opportunity to build relationships and share the gospel not only with locals but also with people from all walks of life.

In Chiang Mai, you’ll experience a deep immersion into Thai culture, daily adventures in missions work, and a profound opportunity to grow spiritually. This city, with its rich history and central role in global missions, is the perfect place to begin your journey of discovering your unique gifts and calling, while making an eternal impact through the Disciples Journey Internship.

GENERAL MORAL STANDARDS

As a Disciple's Journey intern at Within Reach Global, you will be expected to adhere to the following standards, which are designed to ensure safety, uphold biblical morality, promote ministry effectiveness, and respect cultural sensitivity.

As followers of Christ, we strive to live by Philippians 4:8: *"Whatever is true, whatever is noble, whatever is right, whatever is pure, whatever is lovely, whatever is admirable—if anything is excellent or praiseworthy—think about such things."* As leaders within the body of Christ, we aim to live a life above reproach at all times (1 Timothy 3:2).

Attitude

Maintain a respectful attitude toward all staff, interns, nationals, vendors, and the culture in general. Guard your heart against cynicism and judgmental attitudes.

General Conduct

The following behaviors are not permitted:

Profanity, fighting, or theft

Pornography or explicit content in any form (including movies, comics, or novels)

Use or possession of illegal drugs, alcohol, or tobacco

Fireworks, gambling (including lotteries), or criminal activities

Any actions or behaviors that compromise your Christian witness or the integrity of the ministry

Music

You may listen to secular music privately during your free time, provided it aligns with a Christian worldview. However, secular music is not permitted during ministry activities, while driving ministry vehicles, or during any Within Reach Global initiative. If you choose to listen to secular music, please use headphones and keep it private.

Hair & Appearance

We ask that you avoid tight or revealing clothing. While tourists may wear this type of clothing in Asia, it is often frowned upon by locals. Please also refrain from wearing shirts with secular logos (bands, alcohol, etc.), as this can send a confusing message in ministry settings. Hairstyles and clothing styles of almost any type are acceptable, as long as they do not distract from the mission.

Movies

R-rated movies are not permitted unless approved for a specific program activity (e.g., movie night). This includes watching movies on laptops, phones, or other personal devices.

Video Games

Video games are not allowed during your internship. We encourage you to focus on seeking the Lord in community with your fellow interns.

Romantic Relationships

To help you focus on God's calling during your time in Thailand, dating relationships are not permitted during your internship. This includes relationships with fellow interns, mission team members, staff, nationals, volunteers, and ministry partners.

LGBTQIA+ Lifestyles

The promotion or practice of LGBTQIA+ lifestyles is not permitted. This includes promoting this lifestyle through conversation, clothing, accessories, or symbols.

Non-Discrimination

Treat all individuals equally, with respect and without discrimination based on race, gender, age, or any other inherent characteristic.

Failure to comply with these standards may result in removal from ministry activities or dismissal from the internship at the intern's expense. These guidelines are in place to protect the ministry that Within Reach Global has spent years building in Asia and to create an environment where people can hear from God and engage in quality ministry. All interns will be required to sign a commitment form agreeing to adhere to these rules, as well as to the Within Reach Global statement of faith available on our website.
